15.Multidisciplinary / interdisciplinary	
<p>As per the curriculum offered by the University of Calicut, each programme offers common courses, core courses, complementary courses and open courses. The common courses are English language, Hindi, Urdu, Arabic and Malayalam. The open course of 2</p>	

credits offered during the fifth semester for students of other disciplines is a measure to encourage multi-disciplinarity. Audit courses offered as part of UG curriculum namely Environment Studies, Disaster Management, Human Rights, Intellectual Property Rights, Gender Studies and Gerontology are multidisciplinary in nature. In order to promote multidisciplinary learning, PG Departments of English and Mathematics offer a joint certificate course in Research Methodology for PG students. The programme B.A. Functional English offered at our college has a variety of courses on literature, language, media, advertising, theory and aesthetics opening channels to a wide spectrum of higher education prospects and career options. The diploma course offered by Urdu Department offers Multi Lingual DTP and Computer Skills. The complementary course of Mathematics is Computer Science.

16.Academic bank of credits (ABC):

Kerala government is on the path of implementing the guidelines of NEP 2020 and hence the system of Academic Bank of Credits is yet to be implemented in the state.

17.Skill development:

The college is keen on chiseling skills and craftsmanship of students. ED club sparks entrepreneurship in students and during the year a paper file making workshop and a craft workshop was organized. Under the department of English four important clubs - TWEET(to tailor written English skills), PACE(to accelerate communicative English), Readers' Forum (to promote active reading habits) and FAIR (to instigate involvement in research)- are functioning. During the year FAIR and Readers' Forum were merged to form ELF (English Literary Forum). Under department of BTHM, SEL (Scheme for Earn while Learn) functions and during the year a sum 6 lakhs was earned by students. Photography club organized workshop and competitions for its members. Tourism club gives opportunities for travel enthusiasts and explorers for proper guidance and appreciation. BTHM hosts FAITH, a club to enhance self confidence and motivation.

The Department of commerce publishes newsletter and organizes management meet every year. It offers consultancy services on IT filing through students. Students' Initiative Investment Scheme SIIS promotes banking skills. Urdu department hosts CABA- MDTP course offers training in Computer Application and Multi-lingual DTP. Urdu gazal and Urdu Readers Forum enhance Urdu language

skills.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The postgraduate and undergraduate programmes in English language and literature offer courses on Indian Aesthetics and Indian literature in English and Regional Literature in translation. The language departments of Hindi, Urdu and Malayalam offer courses related to Indian literature and culture.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The college, being affiliated to the University of Calicut, offers programmes that are prescribed by the university from time to time. In 2019, the university revised and redesigned its curriculum to make it outcome based and the college follows it.

20.Distance education/online education:

The college shifted to MOODLE LMS for teaching and evaluation in 2020-21 during the pandemic. MOODLE was hosted on our website. Each teacher had a course page and live lectures, recorded lectures, materials and so on were shared through the platform. Assignments, student presentations and test papers were done online. The practice was continued in 2021-22 also. When offline classes resumed, a blended method of instruction was followed.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Govt. Arts and Science College, accredited by NAAC with A Grade on 28 December 2022, offers 2 PG and 5 UG programmes and one diploma course of NCPUL. It has an effective methodology for implementing the curriculum in tune with the vision and mission of the college, executed through College Council, IQAC and Departments. The college strove its best to maintain this system even during the pandemic that necessitated reliance on online modes of instruction. Instruction through MOODLE (hosted on college website) implemented last year was continued along with offline classes. Induction programme for newcomers was conducted. Regular feedbacks from all stakeholders enabled the institution to assess its performance in a time-bound manner. Student feedback was collected to assess the performance and to measure their level of satisfaction. The practice of identifying slow learners and advanced learners through tests and devising special programmes to address their academic needs were conducted. Mentoring sessions were offered to students. A workshop on project report writing was conducted by department of commerce on 10/12/21. Malayalam department observed "vayana pakshacharanam" National Constitution Day, and International Women's Day.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The college prepares its academic calendar in consultation with the academic calendar published by the University of Calicut from time to time. The college Calendar gives specific details of the following: Programme and Course details, department and faculty profiles, tentative schedule of University examinations and internal exams, tentative dates of academic events like, bridge

course, induction and orientation programmes, details of add-on and certificate courses. The Departments follow the academic calendar and plan their academic activities accordingly. They ensure that the various components of CIE like Seminar, Assignments and Tests are completed as per the calendar schedule. This system helps the students to gain an overview of the college, and also to be well prepared for CIE.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The college has an inclusive perspective of education that integrates crosscutting issues. Many programmes offer courses (language courses in particular) that deal with issues relevant to ethics, gender, human values, environment and sustainability. Clubs and forums conduct myriad activities that address this issue. Regarding professional ethics, the college has formulated a

Code of Ethics. Besides the Ethics committee monitors the successful implementation of Code of Ethics. Display Boards sensitize students on proper conduct. Women's Cell acts as an agency to empower women. Women's Day was celebrated on March 8. Separate toilets for men/women and ladies' room are available. The college has a well-formulated gender policy. Human values are displayed on the campus. The college has an ambient atmosphere that facilitates cooperation and values of caring sharing. Staff Club programmes ensure cordial relations among staff. WE-WITH-YOU provided smartphones and free data subscription to needy students during the pandemic. The college has PAIN AND PALLIATIVE unit. The campus is environment-friendly and adopts NO PLASTIC Policy. There are segregated waste collection system, biogas plant and three incinerators for sanitary napkin disposal. Organic farming is done in the campus: There is rain harvesting system.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The college has a well-formulated strategy for catering to the academic requirements of slow and advanced learners named **ADVANCED – SLOW LEARNERS POLICY**. Departments identify learner levels by conducting **GASCK-LAT (Learner Assessment Test)** for first year UG students within one month of their admission and grade them according to their performance. After this gradation, slow learners are given sessions by teachers (remedial teaching) as well as advanced learners (peer teaching) on tough portions. In addition to this, advanced learners are given more challenging tasks under the programme **TOUGH NUT CHALLENGE**- The teacher assigns challenging topics for assignment, seminar or presentation at classrooms or general forums of the college. As classes were already offline, these activities were carried out offline. The library has reference materials on major competitive examinations. The college has Research Forum aimed at developing research potential of advanced learners, by providing opportunities to present papers, lead discussions, etc. NET coaching was conducted by Department of Mathematics during October and November 2021.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The college envisages a participatory approach to teaching-learning process. The following strategies to ensure participative and experiential learning.

1.PG students teach UG students: MA English and MSc. Maths students are assigned some topics from UG syllabus to teach in UG classes under the supervision of the faculty member.

2. The practice of ELT students teaching school students could not be held during the year because schools were closed due the pandemic.

3.Laboratories: Students of BCom and BSc. Maths are taught practical computing in the Computer lab. BTHM students are given training in food production, hospitality service, front office management, and housekeeping as part of their curriculum.

4. All the departments in the college practice participatory learning methods like discussion, debate, seminar presentation, quiz, etc.

5. Internships: Students from BTHM and BCom given practical training/ internships in firms. Due to COVID restrictions,

internships were not conducted during the year.

7. Clubs: All departments in the college have clubs and forums focusing on areas related to their discipline that platform to engage students in multi-dimensional experiential learning.

8. The regular management meet of Commerce Dept. was not held on this year due to covid restrictions.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The college promotes ICT enabled learning as a means to complement as well as augment teaching-learning. COVID-induced pandemic was a blessing in disguise in that it gave teachers and students an opportunity to get updated with latest online teaching methods. The college completely switched over to MOODLE platform for teaching, learning and evaluation. Being the first government college to implement this, Directorate of Collegiate Education applauded the college and cited the practice as worthy of emulation. MOODLE was hosted on the college website. All teachers have Laptops/Tabs, that are used in teaching -learning process. Teachers use PPT and other related software to make the classes more interesting and multi sensory. Out of 19 class rooms 13 class rooms have inbuilt projectors. The college offers Wi-Fi hotspots for students to access internet free of cost. All departments have access to high speed internet (NMIECT) through Wi-Fi /wired connections. Each department has its own digital library that provides e-books to students. All departments have common Desktop computers and multi functional printers. Teachers and students are encouraged to upload their e-lectures on the college website. Some faculty members launched personal youtube channels for academic support like Dr. VL'S Angloscape.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The college strictly follows the rules and regulations prescribed by the University of Calicut in connection with internal evaluation. It has its own mechanism to ensure transparency and fairness in awarding internal marks. The following measures are taken in this regard: Teachers conduct unit tests, monthly tests, etc and record the marks secured by each student, which form a major component of internal marks. Internal evaluation comprises internal examination, seminar or assignment and classroom participation. The overall performance of the student and participation in classroom activities are also given due weightage. In addition to this the college has centralized internal examination for each semester. Internal marks are published in the respective department notice boards. Students are given enough time to raise their grievances. They can make use of the three-tier mechanism comprising department level, college level and university level grievance redressal committees.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The College has a systematic grievance redressal system to redress grievances of students related to internal assessment marks as well as grievances related to university results. There exists a three-tier system for redressal of grievances of students with respect to internal assessment marks - department level, college level and university level. Students may approach the faculty concerned if they have any exam related grievance. If not satisfied, they may approach the Head of the department. They may also approach the STUDENT'S GRIEVANCE REDRESSAL COMMITTEE, if their grievances are not satisfactorily redressed at the department level. The committee redresses the grievance, if there is any merit in the claim, and settles the case. Students may also make use of the university level mechanism if the grievance is not satisfactorily redressed at the college level. Since the external examination is completely under the control of the university the college directs students to use university mechanism, if the nature of the grievance is related to marks awarded. Any other grievance (out of syllabus question, pattern change etc) is brought to the attention of the Controller of Examinations. Additional Chief Superintendent of examination of the college intimates the university regarding the same.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The college offers five UG and 2 PG programmes, all of which have well defined programme outcomes and course outcomes. Since all programmes are designed by the respective Board of Studies of the University of Calicut, they design the syllabus and formulate programme and course outcomes. These are clearly stated in the respective syllabi, and University website. The college has the following mechanism to appraise the students and faculty members of the POs and COs:

- 1.College website: The college website (<https://gasckondotty.ac.in/>) provides an overview of each programme and detailed description of POs and COs.
- 2.Induction Programme conducted at the beginning of each year devotes one session for describing POs of each programme.
- 3.Bridge Course offered by departments communicate COs to new students in a detailed manner.
- 4.Each course is assigned to a teacher (though it is taught by different teachers) who is responsible for coordinating internal marks and communicating COs of that course.
- 5.Special sessions are arranged by the departments to communicate the COs of project or dissertation.
- 6.Handbook Students are provided handbook, (that comprises all basic information of the programme) at the onset of each semester.
8. The college calendar provides brief outline of each programme.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

To evaluate the attainment of POs/COs the college has following mechanisms:

Internal Evaluation System: The college has a very effective internal evaluation system, of which a major component is written tests (both centralised and individual).

Assignments/ Seminars/ Debates and other classroom activities help the faculty to gauge the level of achievement in terms of COs.

University Examinations: Performance of the students in the university examinations is a clear indication of the attainment of POs/ COs. The college regularly maintains a pass percentage of 80 and above in all programmes. Result Analysis done both Semester-wise and Batch-wise help the college to evaluate the attainment of POs/Cos.

Admission to higher studies and placements are clear indicators of the attainment of Programme Outcomes. Many of our students have got admission in Central /State Universities and are already successfully employed both in private and government sectors.

Feedbacks collected regularly from students, alumni and employers enable us to evaluate the attainment of POs.

Projects submitted by students as part of their curriculum are reflective of the totality of all the skills they acquired during the programme.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

The college has augmented its IT facilities incrementally over the years and has achieved consistent growth in terms of IT infrastructure. By 2019-20, the college had procured 42 desktops, 16 LCD projectors, 15 laptops, 2 smart TVs, 5 multi-functional printers and adequate backup system (4 batteries of 150 Ah +3 KV UPS). Regarding internet connectivity, the college had installed NMIECT connection and LAN facilities. Besides all departments were provided with wi-fi connectivity and hotspots for students. During the pandemic, the college made a giant leap in facilitating technology-enabled learning by adopting MOODLE e-learning platform. Entire teaching, learning and evaluation were conducted through MOODLE, which was hosted on the college website. This initiative won special applause from the Directorate of Collegiate Education, citing it as worthy of emulation. Wi-fi hotspots were provided for students with free internet connectivity.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The college follows a systematic procedure for maintaining and utilizing physical, academic and support facilities giving thrust to ensuring transparency and accountability. Statutory bodies like College Council, Purchase Committee, Infrastructure Management and Maintenance Committee facilitate this process. The College Council is the apex body responsible for the entire functioning of the college, including the maintenance and utilization of all the

facilities of the college. Purchase Committee is responsible for the entire purchases. State purchase manual and financial code is strictly followed. Digital mechanisms like e-tendering are utilized for speedy procurements. Infrastructure Committee analyzes the requirements of the college regarding infrastructure and allots facilities for the same. Annual stock verification of library, furniture, laboratories, computer and sports equipment are done after which damaged items are disposed as per government policy. Damaged furniture is repaired with funds from PTA. Annual Maintenance Contract (AMC) has been signed with Technohub for maintenance of electronic equipment and Bright Electricals and Plumbing for electrical and plumbing.

Academic excellence is ensured through Departments and monitored by IQAC and the College Council. The administrative wing offers support facilities.

Due to lack of funds as an aftermath of COVID, infrastructure could not be augmented at the usual pace.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

The college envisions that the successful implementation of the curriculum will be possible only if all the stakeholders are fully involved in the process. To ensure this various bodies give adequate representation to all stakeholders. Students form the most important stakeholder of the education system. So the college gives due representation to them in all the following administrative/ co-curricular and extra-curricular bodies.

1.Student Council: The College has a democratically elected student union for each academic year. However due to the COVID restrictions, elections were not held during 21-22.

2. There is one student representative in IQAC.

2.College Development Committee has representation from Students Union and Alumni, which give them enough opportunity to play key roles in the development of the college.

3. Library Development Council, Canteen Committee etc. also have student representatives. 4.Committees like Anti ragging and Women Cell also have student representatives.

5.The entire activities of NSS are planned and executed by the student committees lead by various secretaries of NSS.

6.Various clubs and forums under the departments have student coordinators.

7.Departmental Association activities are completely planned and executed by the elected Secretary.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The Alumni Association is registered under Societies Act. The major focus of the Alumni is to support the college to achieve its mission. To achieve this goal, the alumni has engaged in the following activities:

Financial Assistance: The alumni contributed money to college arts fest, needy alumni members, NSS ABHAYAM programme, needy students, campus beautification, kidney patients etc.

Higher Education Guidance: The alumni organize orientation programmes for higher studies and placements. An orientation programme was held on 16.6.2021 for guidance regarding central universities entrance and admission procedures. Our alumni from Central University of Punjab, Karnataka, Haryana, Pondicherry, Hyderabad and MAANU were the resource persons.

Interaction with current students: The alumni arrange interactive sessions to the current students on career opportunities, their experiences regarding higher studies and career and so on from time to time. Such programmes were minimal during the pandemic.

Interaction with NAAC Peer Team: The alumni actively supported the college during the NAAC Peer Team Visit right from the reception of the Peer Team members at the airport to the final exit meeting. The positive feedback given by the alumni helped our college secure good grade for NAAC.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The college is striving to attain a unique position in the higher education field of Kerala in terms of its innovative practices,

academic vibrancy and extra-curricular activities. It is completely under the supervision of MoE, Higher Education Department and Directorate of Collegiate Education. The college follows the instructions of the University of Calicut with regard to academic affairs.

The Principal is the chairman of all administrative and academic bodies. The College Council advises and assists the principal in all academic, administrative and other related activities of the college. IQAC monitors the academic activities of the college. The college has prepared strategic plans for the periods 2015-2020 and 2020-2030 . The first strategic plan was successfully implemented by 2020. Purchase Committee monitors effective utilisation of funds allotted to the college.

Discipline Committee takes necessary measures to address disciplinary issues.

Department Heads coordinate the functioning of their departments in line with the vision and mission of the college.

PTA of the college extends supports for the overall development of the college by timely intervention and financial support. Other bodies like Student Union, various committees and clubs ensure pursuance of excellence in academic and non-academic domains.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The college follows systematic and decentralised modus of operandi for its day to day administrative affairs as well as for its deployment of long term and short term goals. It is effectively implemented through the faculty members, non-teaching staff and students of the College and thus caters to the needs of its stakeholders. The practice of decentralization is exercised by giving to the faculty members and students charge of important forums and clubs such as NSS, Reader's Forum, Internal Examination

committee, Career Guidance Cell and Research Committee. Students have active involvement in organizing activities of NSS, SIP and other initiatives. Suggestions from all stakeholders are collected through regular feedbacks and implemented by Departments and Councils. The College Council, the supreme advisory body comprises representatives from all departments, Administrative office and library facilitates upward and downward communication in all matter. Bodies like Student Union, clubs and so on enjoy operational autonomy in the sphere concerned but at the same time they are monitored by and accountable to higher bodies and principal.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The college has a mechanism to formulate and review strategic plans to ensure its growth trajectory. Strategic plans enable the college to plan its activities to achieve short term as well as long term goals. Having successfully completed the goals of Strategic Plan 2015-20 in terms of academics and infrastructure, the college is now on the path of implementing Strategic Plan 2020-30. The plan is executed through the statutory bodies of the college like College Council, IQAC, Departments and other bodies so as to ensure complete utilization of funds and timely commissioning and completion of projects. Through effective decentralization, allotment of duties and timely monitoring and review of all committees, the college hopes to achieve its long term and short term goals. The focus of strategic plan 20-30 is augmenting infrastructure, introducing new programmes, upgrading PG departments as research centres, setting up publication wing etc. The college is striving to achieve the targets outlined in Strategic Plan 2020-30 by timely planning, consistent review and decentralized allocation of duties. Besides the college also seeks to implement the recommendations of NAAC Peer Team in the coming years.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The college strives to actualize its goals through systematic administration facilitated by formation of mandatory bodies.

College Council is the apex body that takes all the policy decisions of the college.

College Development Committee is constituted as per the orders of the government with the District Collector as Chairman. The annual CDC fund is utilized for the development of the college.

IQAC leads all activities related to formulating quality parameters and monitoring academic performance.

PTA plays a proactive role in the development of the college by funding in times of exigencies.

Admission Committee is responsible for UG/PG admissions as per norms.

Examination committee monitors effective conduct of examinations.

Purchase Committee gives administrative sanction to all purchases funded by government. Right to Information Officer is responsible for answering all queries submitted under RTI act.

Bodies like Anti-Ragging, Internal Complaints Committee, Student Grievance Redressal Cell and Discipline Committee deal with grievances

Various clubs lead activities related to gender, environment, skill development etc.

Regular faculty are appointed through Public Service Commission and contract faculty through merit-based interviews. The college adheres to service rules as enshrined in Kerala Service Rules.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The college has an appraisal system to ensure effective functioning and evaluate performance of teaching and non-teaching staff that enables the institution to assess the performance of each member and suggest corrective measures.

Appraisal System for Teaching Staff: Each teacher has to submit a self appraisal in the PBAS format every year. Individual teachers submit it to the HoD who forwards it to the Principal with recommendation. This is mandatory for the placement/promotion.

Appraisal system for Non teaching staff: NTS Members are assessed in the prescribed format and recommended by Principal for promotion.

Feedback: Regularly collected feed backs from all stakeholders play an important role in evaluating the performance of various academic /non academic segments of the college. Corrective measures are taken to address any concerns noted.

Academic Monitoring System: Successful implementation of syllabus is ensured through timely department meetings which are monitored by College Council and IQAC.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

Being a government college, all financial transactions and fund utilization of the college are strictly monitored and regularly audited by government agencies. There are two mechanisms for audit in the college: 1) External Audit 2) Internal Audit

External Audit:

1) Departmental Audit conducted by DCE: Department of Collegiate Education, Government of Kerala conducts regular and detailed audit in all colleges. The last audit conducted in the college was in Oct 2017 by the Department of Collegiate Education, and there were no major audit objections in the report.

2) Accountant General Kerala (AG). The AG Kerala conducts their

periodic verification of all the government funds, UGC project implementation (if any) and so on. The first AG audit began on 18.4.2022 and covered the period from 2013 to 31.3.2022. The major audit objections related to lack of adequate land, unclaimed caution deposit of students and non-maintenance of mandatory registers. Measures have been taken to rectify the same.

Internal Audit The college has an Annual Internal Audit Committee which is usually headed by a member from Commerce faculty to audit internal funds like PTA.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The college takes proactive measures to mobilize and utilize funds from various sources. 2(f) and 12(b) are prerequisites to obtain UGC funds. The college has already secured 2(f) status and has applied for 12 (b) recognition. Regarding State government funds ,the college successfully procured funds directly from budget allocation of the Govt. of Kerala by effectively utilizing people's representatives. Timely proposals for Plan/Non plan funds

to purchase infrastructural facilities, lab and library equipment and so on are submitted. Funds allocated thus are utilized timely and effectively jointly by bodies like College Council, Purchase Committee and college office. The college spent 100 percent of the allocated funds during the year 2021-22. CDC funds are utilized effectively for infrastructural development with the approval of CDC committee headed by the District Collector. PTA fund is utilized for the day-to-day functioning of the college and is internally audited. The college requested for funds to the State government for submission of IIQA and for the NAAC Peer Team Visit expenses. The funds received were utilized for the same.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

As per the DCE order in 2019, the college constituted IQAC in accordance with UGC guidelines. Since then, IQAC has been spearheading initiatives to improve internal quality.

IQAC took initiative to introduce MOODLE LMS and train faculty and administrative staff on online instruction and assessment. MOODLE instruction won the special applause of DCE.

IQAC also implemented Standard Operating Procedure in the college to systematize the functioning of the college. Services related to students and members of staff got standardized, with uniformity in procedure and easiness in documentation.

IQAC monitors all the academic practices of the college like College Calendar, Slow-learners advanced learners initiative and so on. IQAC took the lead for NAAC accreditation for this budding college when other colleges that began during the same period were still struggling with lack of basic facilities.

IQAC took the lead in getting the college accredited by NAAC. Sub-committees for NAAC Peer Team Visit were formed that did year-long

preparations for the visit. The college put an impressive performance before NAAC Peer Team leading to its accreditation with A Grade. DCE and media showered praise on the college for making a historic achievement by earning NAAC accreditation within a span of eight years.

IQAC conducted a seminar on National Education Policy 2020 on 15.10,.2021.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The greatest achievement of IQAC was its leadership in taking the college towards NAAC accreditation. While the colleges constituted during the same time were lagging behind with minimal infrastructure, Govt. Arts and Science College Kondotty made history with NAAC A Grade.

The college has a periodical review system that is monitored by IQAC. IQAC spearheaded ICT initiatives like MOODLE for teaching-learning and established Standard Operating Procedure in the college. It also gives timely instructions for starting new Add on and Certificate Courses. Two batches of students completed the interdisciplinary course on Research Methodology (run jointly by English Department and Mathematics Department), that was initiated in 2019 by IQAC. The following practices initiated by IQAC in order to augment teaching-learning process were continued during the year 2020-21 also

a)Teacher diary: With the introduction of MOODLE, written teacher diary having become redundant, reports of daily teaching activities were recorded in the teacher login.

b) Portion Allotment and Completion done by each department is monitored by IQAC.

c) The well-organized and labelled documentation system that had been initiated by IQAC were continued and monitored by IQAC.

f) Student's Handbook, an initiative of IQAC, was published by the Department of English for UG and PG during 2020-21.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The college takes effective measures for the promotion of gender

equity at curricular and co-curricular level. There are fifty-four courses (common and core) which sensitize students on gender issues. Internal Complaints Committee is functioning as per norms. The college has a well drafted gender policy that outlines the principles of the college with regard to gender equality. Participation of female students in various programmes organized by the students under College Union, NSS and so on is ensured. Women's Cell functions as an important body to support female students. During the pandemic, regular activities like self-defense training suffered a setback. However Women's Day was celebrated through offline mode. Jeevani, a Higher education Initiative for counselling was beneficial for female students of the college (some of them whom are pursuing studies after marriage). College ED club organized activities to encourage female entrepreneurship. All statutory / non statutory bodies of the college have sufficient number of female representatives (faculty as well as students). The college compound is fully walled and protected, and the campus is under CCTV surveillance. Separate facilities for women like Ladies Haven, ten ladies' washrooms, three Incinerators and napkin-vending machine are available.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

The college has an efficient and scientific system for waste management.

Solid waste management: The college has segregated waste collection system using colour-coded bins: for bio degradable and non-degradable waste.

Biogas Plant: Bio degradable waste goes to the bio-gas plant installed near the college canteen. The gas thus produced is used by canteen kitchen. The slurry (liquid waste from the plant) is used for organic farming in the campus.

Incinerator: Non-degradable, but non recyclable waste is burned in the incinerator installed near the toilet block.

Liquid waste management- Washrooms are attached with scientifically constructed septic tanks. Food production Lab has specific septic tank to process liquid waste.

Biomedical, hazardous chemicals and radioactive waste are minimal.

The college has an e-waste management policy, in line with directions of the DCE. The college fixes the rates in consultation with PWD and sells them to vendors.

Waste recycling:

1) All used papers in the college office, Departments etc. are collected, re used if possible and sold to the scrap dealers. 2) Plastic bottles are collected in the "plastic collection corner" near the college gate and taken over by Harithakarmasena as per MoU signed with them.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

The college organized a galaxy of programmes to sensitize students on constitutional values, rights and duties.

Curricular Instruction: The common course syllabus prescribes the Preamble of Constitution of India, as a lesson.

Display Boards display Constitutional Values, Fundamental Rights and Fundamental Duties.

The college organizes induction programmes for newly admitted students of 1st PG/UG. A prominent segment of the programme deals with inculcation of values, duties and responsibilities.

NSS takes the lead in organizing humanitarian activities. Fund collection was done and construction of House-a-year was initiated during the year.

Financial Assistance like We-with-you and other fund collection drives instil humanitarian values in students.

The college regularly observes days like Independence Day, Republic Day, Human Rights Day etc.

Nature Club activities sensitize students on environmental protection.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

During 2021-22, the college continued with the two best practices that it had adopted since its inception - A HOUSE A YEAR and DIGITAL RESOURCE POOL (DRP). As part of House a Year, the college identifies a needy family in consultation with local body representatives and constructs a house for them by raising funds and offering logistical and manual support through NSS volunteers. The beneficiary for this year was Vazhakkottil Khadeeja. Funds were collected and the construction of the house was begun but not completed during the year due to the pandemic. The other best practice was Digital Resource Pool (DRP). This practice, which was initially envisioned to encourage students and teachers to access e-materials, turned out to be prophetically useful during the pandemic. During the year, faculty members uploaded materials to the DRP and encouraged students to access them at a time when libraries were closed. The introduction of MOODLE platform in 2020-21 was continued in 2021-22, giving impetus to teaching,

learning and evaluation. The footfall of students to DRP was exponentially high. Teachers keep adding new materials in the form of videos lectures and e-books to the DRP.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The college succeeded in achieving exponential growth within a short span of time, thanks to the support from the local community. In turn, the college, in due course, devised community outreach programmes that would empower the local community. The most distinctive among them is Academic Reciprocity with the community (ARC). Academic support was rendered to SAKAN, an orphan-care project, under CBMS Orphanage, Vilayil. The initiative, that began in 2019, was continued during 2020-21, despite the challenges of COVID. The college coordinator of ARC prepares a list of faculty and students (who form the Academic Support Team (AST) to mentor the orphans on areas like career development, counselling etc. and the list is handed over to SAKAN Coordinator. Student members do individual tutoring for school subjects. The service is absolutely free. The college observes SAKAN DAY, to collect donations from the college to fund the programme. A common session of AST and learners is arranged at CBMS. Later, SAKAN coordinator allots learners to AST considering learner requirements and prepares a schedule of sessions and allots learners/ classes to the team, Sessions are given on Sundays at CBMS. The initiative has fostered strong civic sense and social commitment among the college community.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Govt. Arts and Science College, accredited by NAAC with A Grade on 28 December 2022, offers 2 PG and 5 UG programmes and one diploma course of NCPUL. It has an effective methodology for implementing the curriculum in tune with the vision and mission of the college, executed through College Council, IQAC and Departments. The college strove its best to maintain this system even during the pandemic that necessitated reliance on online modes of instruction. Instruction through MOODLE (hosted on college website) implemented last year was continued along with offline classes. Induction programme for newcomers was conducted. Regular feedbacks from all stakeholders enabled the institution to assess its performance in a time-bound manner. Student feedback was collected to assess the performance and to measure their level of satisfaction. The practice of identifying slow learners and advanced learners through tests and devising special programmes to address their academic needs were conducted. Mentoring sessions were offered to students. A workshop on project report writing was conducted by department of commerce on 10/12/21. Malayalam department observed "vayana pakshacharanam" National Constitution Day, and International Women's Day.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The college prepares its academic calendar in consultation with the academic calendar published by the University of Calicut from time to time. The college Calendar gives specific details of the following: Programme and Course details, department and

faculty profiles, tentative schedule of University examinations and internal exams, tentative dates of academic events like, bridge course, induction and orientation programmes, details of add-on and certificate courses. The Departments follow the academic calendar and plan their academic activities accordingly. They ensure that the various components of CIE like Seminar, Assignments and Tests are completed as per the calendar schedule. This system helps the students to gain an overview of the college, and also to be well prepared for CIE.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The college has an inclusive perspective of education that integrates crosscutting issues. Many programmes offer courses (language courses in particular) that deal with issues relevant to ethics, gender, human values, environment and

sustainability. Clubs and forums conduct myriad activities that address this issue. Regarding professional ethics, the college has formulated a Code of Ethics. Besides the Ethics committee monitors the successful implementation of Code of Ethics. Display Boards sensitize students on proper conduct. Women's Cell acts as an agency to empower women. Women's Day was celebrated on March 8. Separate toilets for men/women and ladies' room are available. The college has a well-formulated gender policy. Human values are displayed on the campus. The college has an ambient atmosphere that facilitates cooperation and values of caring sharing. Staff Club programmes ensure cordial relations among staff. WE-WITH-YOU provided smartphones and free data subscription to needy students during the pandemic. The college has PAIN AND PALLIATIVE unit. The campus is environment-friendly and adopts NO PLASTIC Policy. There are segregated waste collection system, biogas plant and three incinerators for sanitary napkin disposal. Organic farming is done in the campus: There is rain harvesting system.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The college has a well-formulated strategy for catering to the academic requirements of slow and advanced learners named **ADVANCED - SLOW LEARNERS POLICY**. Departments identify learner levels by conducting **GASCK-LAT (Learner Assessment Test)** for

first year UG students within one month of their admission and grade them according to their performance. After this gradation, slow learners are given sessions by teachers (remedial teaching) as well as advanced learners (peer teaching) on tough portions. In addition to this, advanced learners are given more challenging tasks under the programme TOUGH NUT CHALLENGE- The teacher assigns challenging topics for assignment, seminar or presentation at classrooms or general forums of the college. As classes were already offline, these activities were carried out offline. The library has reference materials on major competitive examinations. The college has Research Forum aimed at developing research potential of advanced learners, by providing opportunities to present papers, lead discussions, etc. NET coaching was conducted by Department of Mathematics during October and November 2021.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The college envisages a participatory approach to teaching-learning process. The following strategies to ensure participative and experiential learning.

1.PG students teach UG students: MA English and MSc. Maths students are assigned some topics from UG syllabus to teach in UG classes under the supervision of the faculty member.

2. The practice of ELT students teaching school students could not be held during the year because schools were closed due the pandemic.

3.Laboratories: Students of BCom and BSc. Maths are taught practical computing in the Computer lab. BTHM students are given training in food production, hospitality service, front office management, and housekeeping as part of their curriculum.

4. All the departments in the college practice participatory learning methods like discussion, debate, seminar presentation, quiz, etc.

5. Internships: Students from BTHM and BCom given practical training/ internships in firms. Due to COVID restrictions, internships were not conducted during the year.

7. Clubs: All departments in the college have clubs and forums focusing on areas related to their discipline that platform to engage students in multi-dimensional experiential learning.

8. The regular management meet of Commerce Dept. was not held on this year due to covid restrictions.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The college promotes ICT enabled learning as a means to complement as well as augment teaching-learning. COVID-induced pandemic was a blessing in disguise in that it gave teachers and students an opportunity to get updated with latest online teaching methods. The college completely switched over to MOODLE platform for teaching, learning and evaluation. Being the first government college to implement this, Directorate of Collegiate Education applauded the college and cited the practice as worthy of emulation. MOODLE was hosted on the

college website. All teachers have Laptops/Tabs, that are used in teaching -learning process. Teachers use PPT and other related software to make the classes more interesting and multi sensory. Out of 19 class rooms 13 class rooms have inbuilt projectors. The college offers Wi-Fi hotspots for students to access internet free of cost. All departments have access to high speed internet (NMIECT) through Wi-Fi /wired connections. Each department has its own digital library that provides e-books to students. All departments have common Desktop computers and multi functional printers. Teachers and students are encouraged to upload their e-lectures on the college website. Some faculty members launched personal youtube channels for academic support like Dr. VL'S Angloscape.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The college strictly follows the rules and regulations prescribed by the University of Calicut in connection with internal evaluation. It has its own mechanism to ensure transparency and fairness in awarding internal marks. The following measures are taken in this regard: Teachers conduct unit tests, monthly tests, etc and record the marks secured by each student, which form a major component of internal marks. Internal evaluation comprises internal examination, seminar or assignment and classroom participation. The overall performance of the student and participation in classroom activities are also given due weightage. In addition to this the college has centralized internal examination for each semester. Internal marks are published in the respective department notice boards. Students are given enough time to raise their grievances. They can make use of the three-tier mechanism comprising department level, college level and university level grievance redressal committees.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

The College has a systematic grievance redressal system to redress grievances of students related to internal assessment marks as well as grievances related to university results. There exists a three-tier system for redressal of grievances of students with respect to internal assessment marks - department level, college level and university level. Students may approach the faculty concerned if they have any exam related grievance. If not satisfied, they may approach the Head of the department. They may also approach the STUDENT'S GRIEVANCE REDRESSAL COMMITTEE, if their grievances are not satisfactorily redressed at the department level. The committee redresses the grievance, if there is any merit in the claim, and settles the case. Students may also make use of the university level mechanism if the grievance is not satisfactorily redressed at the college level. Since the external examination is completely under the control of the university the college directs students to use university mechanism, if the nature of the

grievance is related to marks awarded. Any other grievance (out of syllabus question, pattern change etc) is brought to the attention of the Controller of Examinations. Additional Chief Superintendent of examination of the college intimates the university regarding the same.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The college offers five UG and 2 PG programmes, all of which have well defined programme outcomes and course outcomes. Since all programmes are designed by the respective Board of Studies of the University of Calicut, they design the syllabus and formulate programme and course outcomes. These are clearly stated in the respective syllabi, and University website. The college has the following mechanism to appraise the students and faculty members of the POs and COs:

1.College website: The college website

(<https://gasckondotty.ac.in/>) provides an overview of each programme and detailed description of POs and COs.

2.Induction Programme conducted at the beginning of each year devotes one session for describing POs of each programme.

3.Bridge Course offered by departments communicate COs to new students in a detailed manner.

4.Each course is assigned to a teacher (though it is taught by different teachers) who is responsible for coordinating internal marks and communicating COs of that course.

5.Special sessions are arranged by the departments to communicate the COs of project or dissertation.

6.Handbook Students are provided handbook, (that comprises all

basic information of the programme) at the onset of each semester.

8. The college calendar provides brief outline of each programme.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

To evaluate the attainment of POs/COs the college has following mechanisms:

Internal Evaluation System: The college has a very effective internal evaluation system, of which a major component is written tests (both centralised and individual).

Assignments/ Seminars/ Debates and other classroom activities help the faculty to gauge the level of achievement in terms of COs.

University Examinations: Performance of the students in the university examinations is a clear indication of the attainment of POs/ COs. The college regularly maintains a pass percentage of 80 and above in all programmes. Result Analysis done both Semester -wise and Batch- wise help the college to evaluate the attainment of POs/Cos.

Admission to higher studies and placements are clear indicators of the attainment of Programme Outcomes. Many of our students have got admission in Central /State Universities and are already successfully employed both in private and government sectors.

Feedbacks collected regularly from students, alumni and

employers enable us to evaluate the attainment of POs.

Projects submitted by students as part of their curriculum are reflective of the totality of all the skills they acquired during the programme.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The college follows a systematic procedure for maintaining and utilizing physical, academic and support facilities giving thrust to ensuring transparency and accountability. Statutory bodies like College Council, Purchase Committee, Infrastructure Management and Maintenance Committee facilitate this process. The College Council is the apex body responsible for the entire functioning of the college, including the maintenance and utilization of all the facilities of the college. Purchase Committee is responsible for the entire purchases. State purchase manual and financial code is strictly followed. Digital mechanisms like e-tendering are utilized for speedy procurements. Infrastructure Committee analyzes the requirements of the college regarding infrastructure and allots facilities for the same. Annual stock verification of library, furniture, laboratories, computer and sports equipment are done after which damaged items are disposed as per government policy. Damaged furniture is repaired with funds from PTA. Annual Maintenance Contract (AMC) has been signed with Technohub for maintenance of electronic equipment and Bright Electricals and Plumbing for electrical and plumbing.

Academic excellence is ensured through Departments and monitored by IQAC and the College Council. The administrative wing offers support facilities.

Due to lack of funds as an aftermath of COVID, infrastructure could not be augmented at the usual pace.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

The college envisions that the successful implementation of the curriculum will be possible only if all the stakeholders are fully involved in the process. To ensure this various bodies give adequate representation to all stakeholders. Students form the most important stakeholder of the education system. So the college gives due representation to them in all the following administrative/ co-curricular and extra-curricular bodies.

1.Student Council: The College has a democratically elected student union for each academic year. However due to the COVID restrictions, elections were not held during 21-22.

2. There is one student representative in IQAC.

2.College Development Committee has representation from Students Union and Alumni, which give them enough opportunity to play key roles in the development of the college.

3. Library Development Council, Canteen Committee etc. also have student representatives. 4.Committees like Anti ragging and Women Cell also have student representatives.

5.The entire activities of NSS are planned and executed by the student committees lead by various secretaries of NSS.

6.Various clubs and forums under the departments have student coordinators.

7.Departmental Association activities are completely planned and executed by the elected Secretary.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The Alumni Association is registered under Societies Act. The major focus of the Alumni is to support the college to achieve its mission. To achieve this goal, the alumni has engaged in the following activities:

Financial Assistance: The alumni contributed money to college arts fest, needy alumni members, NSS ABHAYAM programme, needy students, campus beautification, kidney patients etc.

Higher Education Guidance: The alumni organize orientation programmes for higher studies and placements. An orientation programme was held on 16.6.2021 for guidance regarding central

universities entrance and admission procedures. Our alumni from Central University of Punjab, Karnataka, Haryana, Pondicherry, Hyderabad and MAANU were the resource persons.

Interaction with current students: The alumni arrange interactive sessions to the current students on career opportunities, their experiences regarding higher studies and career and so on from time to time. Such programmes were minimal during the pandemic.

Interaction with NAAC Peer Team: The alumni actively supported the college during the NAAC Peer Team Visit right from the reception of the Peer Team members at the airport to the final exit meeting. The positive feedback given by the alumni helped our college secure good grade for NAAC.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The college is striving to attain a unique position in the higher education field of Kerala in terms of its innovative practices, academic vibrancy and extra-curricular activities. It is completely under the supervision of MoE, Higher Education Department and Directorate of Collegiate Education. The college follows the instructions of the University of Calicut with regard to academic affairs.

The Principal is the chairman of all administrative and academic bodies. The College Council advises and assists the principal in all academic, administrative and other related activities of the college. IQAC monitors the academic activities of the college. The college has prepared strategic plans for the periods 2015-2020 and 2020-2030 . The first strategic plan was successfully implemented by 2020. Purchase Committee monitors effective utilisation of funds allotted to the college.

Discipline Committee takes necessary measures to address disciplinary issues.

Department Heads coordinate the functioning of their departments in line with the vision and mission of the college.

PTA of the college extends supports for the overall development of the college by timely intervention and financial support. Other bodies like Student Union, various committees and clubs ensure pursuance of excellence in academic and non-academic domains.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The college follows systematic and decentralised modus of operandi for its day to day administrative affairs as well as for its deployment of long term and short term goals. It is effectively implemented through the faculty members, non-teaching staff and students of the College and thus caters to the needs of its stakeholders. The practice of decentralization is exercised by giving to the faculty members and students charge of important forums and clubs such as NSS, Reader's Forum, Internal Examination committee, Career Guidance Cell and Research Committee. Students have active involvement in organizing activities of NSS, SIP and other initiatives. Suggestions from all stakeholders are collected through regular

feedbacks and implemented by Departments and Councils. The College Council, the supreme advisory body comprises representatives from all departments, Administrative office and library facilitates upward and downward communication in all matter. Bodies like Student Union, clubs and so on enjoy operational autonomy in the sphere concerned but at the same time they are monitored by and accountable to higher bodies and principal.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The college has a mechanism to formulate and review strategic plans to ensure its growth trajectory. Strategic plans enable the college to plan its activities to achieve short term as well as long term goals. Having successfully completed the goals of Strategic Plan 2015-20 in terms of academics and infrastructure, the college is now on the path of implementing Strategic Plan 2020-30. The plan is executed through the statutory bodies of the college like College Council, IQAC, Departments and other bodies so as to ensure complete utilization of funds and timely commissioning and completion of projects. Through effective decentralization, allotment of duties and timely monitoring and review of all committees, the college hopes to achieve its long term and short term goals. The focus of strategic plan 20-30 is augmenting infrastructure, introducing new programmes, upgrading PG departments as research centres, setting up publication wing etc. The college is striving to achieve the targets outlined in Strategic Plan 2020-30 by timely planning, consistent review and decentralized allocation of duties. Besides the college also seeks to implement the recommendations of NAAC Peer Team in the coming years.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The college strives to actualize its goals through systematic administration facilitated by formation of mandatory bodies.

College Council is the apex body that takes all the policy decisions of the college.

College Development Committee is constituted as per the orders of the government with the District Collector as Chairman. The annual CDC fund is utilized for the development of the college.

IQAC leads all activities related to formulating quality parameters and monitoring academic performance.

PTA plays a proactive role in the development of the college by funding in times of exigencies.

Admission Committee is responsible for UG/PG admissions as per norms.

Examination committee monitors effective conduct of examinations.

Purchase Committee gives administrative sanction to all purchases funded by government. Right to Information Officer is responsible for answering all queries submitted under RTI act.

Bodies like Anti-Ragging, Internal Complaints Committee, Student Grievance Redressal Cell and Discipline Committee deal with grievances

Various clubs lead activities related to gender, environment,

skill development etc.

Regular faculty are appointed through Public Service Commission and contract faculty through merit-based interviews. The college adheres to service rules as enshrined in Kerala Service Rules.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The college has an appraisal system to ensure effective

functioning and evaluate performance of teaching and non-teaching staff that enables the institution to assess the performance of each member and suggest corrective measures.

Appraisal System for Teaching Staff: Each teacher has to submit a self appraisal in the PBAS format every year. Individual teachers submit it to the HoD who forwards it to the Principal with recommendation. This is mandatory for the placement/promotion.

Appraisal system for Non teaching staff: NTS Members are assessed in the prescribed format and recommended by Principal for promotion.

Feedback: Regularly collected feed backs from all stakeholders play an important role in evaluating the performance of various academic /non academic segments of the college. Corrective measures are taken to address any concerns noted.

Academic Monitoring System: Successful implementation of syllabus is ensured through timely department meetings which are monitored by College Council and IQAC.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

Being a government college, all financial transactions and fund utilization of the college are strictly monitored and regularly audited by government agencies. There are two mechanisms for audit in the college: 1) External Audit 2) Internal Audit

External Audit:

1) Departmental Audit conducted by DCE: Department of Collegiate Education, Government of Kerala conducts regular and

detailed audit in all colleges. The last audit conducted in the college was in Oct 2017 by the Department of Collegiate Education, and there were no major audit objections in the report.

2) Accountant General Kerala (AG). The AG Kerala conducts their periodic verification of all the government funds, UGC project implementation (if any) and so on. The first AG audit began on 18.4.2022 and covered the period from 2013 to 31.3.2022. The major audit objections related to lack of adequate land, unclaimed caution deposit of students and non-maintenance of mandatory registers. Measures have been taken to rectify the same.

Internal Audit The college has an Annual Internal Audit Committee which is usually headed by a member from Commerce faculty to audit internal funds like PTA.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The college takes proactive measures to mobilize and utilize funds from various sources. 2(f) and 12(b) are prerequisites to obtain UGC funds. The college has already secured 2(f) status and has applied for 12 (b) recognition. Regarding State government funds ,the college successfully procured funds directly from budget allocation of the Govt. of Kerala by effectively utilizing people's representatives. Timely proposals for Plan/Non plan funds to purchase infrastructural facilities, lab and library equipment and so on are submitted. Funds allocated thus are utilized timely and effectively jointly by bodies like College Council, Purchase Committee and college office. The college spent 100 percent of the allocated funds during the year 2021-22. CDC funds are utilized effectively for infrastructural development with the approval of CDC committee headed by the District Collector. PTA fund is utilized for the day-to-day functioning of the college and is internally audited. The college requested for funds to the State government for submission of IIQA and for the NAAC Peer Team Visit expenses. The funds received were utilized for the same.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

As per the DCE order in 2019, the college constituted IQAC in accordance with UGC guidelines. Since then, IQAC has been spearheading initiatives to improve internal quality.

IQAC took initiative to introduce MOODLE LMS and train faculty and administrative staff on online instruction and assessment. MOODLE instruction won the special applause of DCE.

IQAC also implemented Standard Operating Procedure in the college to systematize the functioning of the college. Services

related to students and members of staff got standardized, with uniformity in procedure and easiness in documentation.

IQAC monitors all the academic practices of the college like College Calendar, Slow-learners advanced learners initiative and so on. IQAC took the lead for NAAC accreditation for this budding college when other colleges that began during the same period were still struggling with lack of basic facilities.

IQAC took the lead in getting the college accredited by NAAC. Sub-committees for NAAC Peer Team Visit were formed that did year-long preparations for the visit. The college put an impressive performance before NAAC Peer Team leading to its accreditation with A Grade. DCE and media showered praise on the college for making a historic achievement by earning NAAC accreditation within a span of eight years.

IQAC conducted a seminar on National Education Policy 2020 on 15.10,.2021.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The greatest achievement of IQAC was its leadership in taking the college towards NAAC accreditation. While the colleges constituted during the same time were lagging behind with minimal infrastructure, Govt. Arts and Science College Kondotty made history with NAAC A Grade.

The college has a periodical review system that is monitored by IQAC. IQAC spearheaded ICT initiatives like MOODLE for teaching-learning and established Standard Operating Procedure in the college. It also gives timely instructions for starting new Add on and Certificate Courses. Two batches of students completed the interdisciplinary course on Research Methodology (run jointly by English Department and Mathematics Department), that

was initiated in 2019 by IQAC. The following practices initiated by IQAC in order to augment teaching-learning process were continued during the year 2020-21 also

a) Teacher diary: With the introduction of MOODLE, written teacher diary having become redundant, reports of daily teaching activities were recorded in the teacher login.

b) Portion Allotment and Completion done by each department is monitored by IQAC.

c) The well-organized and labelled documentation system that had been initiated by IQAC were continued and monitored by IQAC.

f) Student's Handbook, an initiative of IQAC, was published by the Department of English for UG and PG during 2020-21.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The college takes effective measures for the promotion of gender equity at curricular and co-curricular level. There are fifty-four courses (common and core) which sensitize students on gender issues. Internal Complaints Committee is functioning as per norms. The college has a well drafted gender policy that outlines the principles of the college with regard to gender equality. Participation of female students in various programmes organized by the students under College Union, NSS and so on is ensured. Women's Cell functions as an important body to support female students. During the pandemic, regular activities like self-defense training suffered a setback. However Women's Day was celebrated through offline mode. Jeevani, a Higher education Initiative for counselling was beneficial for female students of the college (some of them whom are pursuing studies after marriage). College ED club organized activities to encourage female entrepreneurship. All statutory / non statutory bodies of the college have sufficient number of female representatives (faculty as well as students). The college compound is fully walled and protected, and the campus is under CCTV surveillance. Separate facilities for women like Ladies Haven, ten ladies' washrooms, three Incinerators and napkin-vending machine are available.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

The college has an efficient and scientific system for waste management.

Solid waste management: The college has segregated waste collection system using colour-coded bins: for bio degradable and non-degradable waste.

Biogas Plant: Bio degradable waste goes to the bio-gas plant installed near the college canteen. The gas thus produced is used by canteen kitchen. The slurry (liquid waste from the plant) is used for organic farming in the campus.

Incinerator: Non-degradable, but non recyclable waste is burned in the incinerator installed near the toilet block.

Liquid waste management- Washrooms are attached with scientifically constructed septic tanks. Food production Lab has specific septic tank to process liquid waste.

Biomedical, hazardous chemicals and radioactive waste are minimal.

The college has an e-waste management policy, in line with directions of the DCE. The college fixes the rates in consultation with PWD and sells them to vendors.

Waste recycling:

- 1) All used papers in the college office, Departments etc. are collected, re used if possible and sold to the scrap dealers.
- 2) Plastic bottles are collected in the "plastic collection corner" near the college gate and taken over by Harithakarmasena as per MoU signed with them.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

During 2021-22, the college continued with the two best practices that it had adopted since its inception - A HOUSE A YEAR and DIGITAL RESOURCE POOL (DRP). As part of House a Year, the college identifies a needy family in consultation with local body representatives and constructs a house for them by raising funds and offering logistical and manual support through NSS volunteers. The beneficiary for this year was Vazhakkottil Khadeeja. Funds were collected and the construction of the house was begun but not completed during the year due to the pandemic. The other best practice was Digital Resource Pool (DRP). This practice, which was initially envisioned to encourage students and teachers to access e-materials, turned out to be prophetically useful during the pandemic. During the year, faculty members uploaded materials to the DRP and encouraged students to access them at a time when libraries were closed. The introduction of MOODLE platform in 2020-21 was continued in 2021-22, giving impetus to teaching, learning and evaluation. The footfall of students to DRP was exponentially high. Teachers keep adding new materials in the form of videos lectures and e-books to the DRP.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The college succeeded in achieving exponential growth within a short span of time, thanks to the support from the local community. In turn, the college, in due course, devised community outreach programmes that would empower the local community. The most distinctive among them is Academic Reciprocity with the community (ARC). Academic support was rendered to SAKAN, an orphan-care project, under CBMS Orphanage, Vilayil. The initiative, that began in 2019, was continued during 2020-21, despite the challenges of COVID. The college coordinator of ARC prepares a list of faculty and students (who form the Academic Support Team (AST) to mentor the orphans on areas like career development, counselling etc. and the list is handed over to SAKAN Coordinator. Student members do individual tutoring for school subjects. The service is absolutely free. The college observes SAKAN DAY, to collect donations from the college to fund the programme. A common session of AST and learners is arranged at CBMS. Later, SAKAN coordinator allots learners to AST considering learner requirements and prepares a schedule of sessions and allots learners/ classes to the team, Sessions are given on Sundays at CBMS. The initiative has fostered strong civic sense and social commitment among the college community.
