STRATEGIC PLAN 2015-2020

Govt. Arts and Science College Kondotty was established in 2013. It started functioning in a rented building at Cheriyparmaba located 2 km away from the proposed site of the campus. It began with five courses namely B.A. Functional English, B.A Urdu, BSc Maths, BTHM and BCom. The college aims to provide quality higher education to students of the rural area. In order to achieve the aim of establishing the college in a full-fledged manner, the college has to take steps to improve a lot in terms of infrastructural facilities and new courses.

So, the college proposes this five-year strategic plan. The main focus of this strategic plan is to acquire its own land, and move to its own buildings and to improve other infrastructural facilities. The main plans to be achieved, in two segments, in the coming five years can be summed up as follows

Infrastructure facilities

1. To complete the construction and occupy the proposed semi-permanent building at the permanent college campus.
2. To construct adequate toilet facilities in the permanent campus
3. To find out a permanent water source for the permanent campus
4. To shift all classes to the newly constructed semi –permanent building w.e.f 2016-17 academic year
5. To clear the documents regarding the ownership and other technicalities of the donated land for the college campus
6. To construct a compound wall and gate for the campus
7. Topographical adaptation of college land to suit the master plan
8. To expedite the construction of permanent building (Stage 1) by June 2019
9. To facilitate sufficient electricity supply to meet the requirements of the college (3 phase and transformer)

10. To construct lab block to accommodate BTHM lab, computer lab and language lab
11. To procure sufficient land for playground
12. To enhance the library of the college with books and journals
13. To construct multipurpose sports arena
14. To make Internet access to teachers and students

Academic growth

1. To upgrade all UG departments as PG departments
2. To expedite post creation in all the departments to meet the required staff strength
3. To organize National Seminars by all departments on relevant topics
4. To increase student strength by thirty percentage by 2020
5. To enhance pass percentage of the students to 75 percentage
6. To prepare students to secure admission for higher studies in reputed institutions in and outside the state

Co-curricular growth

1. To organize arts and sports fests every year
2. To ensure the participation of the students in zonal and inter zonal arts and sports fests
